Off-Duty Conduct

Workplace Violence Policy

- An employee's actions outside of work may impact their employment
- Rational nexus between the crime and their job responsibilities

(218) 862-6420 Code 425259

NC State Personnel Policy

An act of off-duty violent conduct may also be grounds for disciplinary action, up to and including dismissal. In these situations, the agency must demonstrate that the disciplinary action, suspension or dismissal is supported by the existence of a rational nexus between the type of violent conduct committed and the potential adverse impact on a State employee's ability to perform the assigned duties and responsibilities.
